Profile

WENGER PLATTNER is an independent law firm, focusing primarily on business law, which is active at the national and international level and has an excellent network of contacts. WENGER PLATTNER has many years' experience in legal and tax advisory as well as in notary services. A special focus of the firm is representing clients in dealings with authorities and before courts at all levels.

Quality services and client satisfaction

WENGER PLATTNER provides services of outstanding quality. Its advisory and representative services for clients are performed with the utmost efficiency, with all efforts focused on solving the problems confronting clients and securing the best possible outcome for them over the long term.

WENGER PLATTNER's number-one priority is ensuring maximum satisfaction for clients and the optimum cost/benefit ratio. For this reason, each individual case is handled by the experts best suited to the particular task (attorneys, notaries and tax specialists).

Relationships with clients are strengthened by a clear and fair cooperation strategy and developed in a spirit of trust.

Partnership

The partners at WENGER PLATTNER are fully committed to their firm and place all their energies and skills in the service of WENGER PLATTNER. In the long term they all contribute in equal measure to WENGER PLATTNER's success.

The partners at WENGER PLATTNER foster a working culture that is open, self-critical and learns from any mistakes made. Everything they do is geared to the collective interests of WENGER PLATTNER as a whole.

Differing opinions are discussed and debated in a constructive dialogue with a view to working out viable and sustainable solutions.

Team

WENGER PLATTNER is an attractive, reliable employer that applies the utmost care in selecting what it views as its number-one resource – its team. WENGER PLATTNER also ensures ongoing professional and personal development for all those who work for the firm.

The partners at WENGER PLATTNER attach top priority to looking after staff and to providing appropriate staff training, while ensuring that ample time is devoted to this. The partners impose the very highest standards of quality upon both themselves and upon staff members. There are no concessions where quality is concerned.

Code of conduct

WENGER PLATTNER places great importance on ethically responsible conduct. It will not accept clients or cases that conflict with its ethical principles or could harm the reputation of the firm.

Teamwork

WENGER PLATTNER believes in responsible, partnership-based and team-oriented collaboration between partners and staff, where each person takes responsibility both for his or her own individual area and, at the same time, for the overall success of the firm and where synergies are used and strengths are developed.

"The confidence of our clients and our personal relationships with them are the basis of our mutual success."

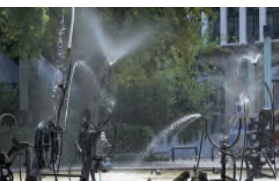

Werner Wenger

"What is it that sets us apart from other law firms? It is our particular combination of specialist areas, our established local presence in Basel, Zurich, Bern and Geneva along with our international focus, our uncompromising quality, and our client-friendly fee structure."
