

Martina Braun

Counsel

Martina Braun is counsel and a member of the IP and IT team. She advises and represents companies, foundations and individuals on all aspects of intellectual property law and information technology, with a particular focus on copyright, trademarks and data protection. Her key area of expertise is advising on contract law. She also deals with various questions related to personality rights.

Martina Braun completed her doctoral thesis on copyright law and worked at the Centre for Business Law at the University of Lausanne.

- *Newsletter 2/21: The revised Swiss Data Protection Act (FADP): Changes and their impact on companies*
In fall 2020, the Swiss Parliament adopted the total revision of the Federal Act on Data Protection (FADP). The revised FADP is expected to enter into force mid-2022. The purpose of the total revision is to bring the FADP into line with the rapid changes in technology, the changed social circumstances, and the General Data Protection Regulation of the European Union (GDPR) that entered into force in 2018.
- *The Legal 500 Country Comparative Guides | Switzerland: Employee Incentives*
This country-specific Q&A provides an overview of employee incentives laws and regulations applicable in Switzerland.
- *Beurteilung der Wirtschaftlichkeit von Arzneimitteln im Rahmen der dreijährlichen Überprüfung*

- *Newsletter 4/17: EU General Data Protection Regulation: Implications for Swiss businesses*
Extensive efforts are currently underway to bring data protection law in line with rapid technological developments. These initiatives include the new General Data Protection Regulation (EU GDPR) which applies within the EU from 25 May 2018. Although the EU GDPR is not directly applicable in Switzerland, many Swiss businesses fall within its scope.
