Selected publications:

- *Newsletter 2/17: Delusions and confusions surrounding Lex Koller*
It was only in June 2014 that the Swiss Federal Parliament rejected motion 13.3975 calling for the 'reinstatement of Lex Koller authorisation for real estate used for commercial purposes' and motion 13.3976 calling for the 'abolition of the privilege allowing the acquisition of shares in real estate funds and listed real estate companies under Lex Koller'. Yet the Federal Council has insisted that some of these proposals should be implemented under a revised Lex Koller regime and initiated a consultation process on 10 March 2017. The consultation period runs until 30 June 2017.
